Snapshot:

Category defining: The ideal name when considering the cable television industry. Can be utilized by providers and sellers alike

Great position: Google Page Rank # 1; 55,600,000 million estimated monthly searches for the exact search term

Strong demand: 100 million homes in the United States alone receive cable television services

Growth opportunity: The \$89.9 billion a year industry combined with great name recognition can provide the traction you need to generate revenue

Overview

The cable industry generates about \$89.9 billion a year according to the National Cable and Telecommunications Association and Cable.com can allow for a leading position in the industry. With 1,184 cable companies providing services to more than 100 million homes, Cable.com is the clear picture in profiting within the industry.

Appealing to all cable providers it can be utilized for a specific organization, as a third party comparison website, micro-site for specific campaigns or as an informational directory. High levels of organic traffic relative to similar counterparts may provide a solid foundation to build a generous ROI and what's more, an even more recognizable name to build upon. Cable.com is truly a premium generic and as such can be leveraged to provide maximum value.

This is a rare and valuable item. The opportunity you've been waiting for has arrived, seize it.
